

Vision

- 1) Enhancing student morale
- 2) To create a kind of confidence in the students
- 3) To provide students with their rightful platform
- 4) Giving students an opportunity to develop social skills.
- 5) Such programs help students to develop various skills and knowledge in various competitions.
- 6) Participating in cultural programs develops the spirit of determination and perseverance in students.
- 7) Such programs help refresh the mind of the students and stimulate the brain function. This increases their concentration.
- 8) Cultural programs help in understanding the necessary responsibilities and develop a sense of duty.

Mission

- 1) To preserve, promote and perpetuate artistic expression as well as traditional cultural forms including folk dance, painting, and collective cultural expression at the college level.
- 2) To create awareness about cultural expression by establishing cultural department at college level. Also developing modern infrastructure.
- 3) It also creates a sense of cultural heritage, appreciation of art, scientific achievements and innovation.
- 4) To organize various competitive programs at the college level to preserve the cultural heritage and to always be ready to provide the students with their rightful platform.
