## Mission

To enrich the knowledge of student in Economics by conducting various programme. For personality development of students we have organized the Guest lecture, tours, Competitive exam guidance, Awareness programme of employment and current issues.

1. To provide our students with effective teaching.
2. To make our students to understand microeconomic and macroeconomic concepts, and their applications;
3. To enable our students to become policy-literate and thus be more informed as citizens.
4. To prepare our students to multidisciplinary skills for Applied Economic Analysis.

## Objective

To introduce students to the acquisition and application of various economic theories.

How to microeconomic concepts can be applied to analyze real life situations.

To enable students to make creative use of theory to understand the socio-economic environment and approach contemporary problems with better solutions

To provide awareness about economic, entrepreneurial conditions.

To develop capacity in students for higher education and career placement.
